Welcome! Thank you for selecting Art Dance Academy (ADA) as your School of Ballet and Dance. I am delighted to be in my ninth year of operation, and I am thankful to you for choosing me for your journey in the performing arts. To continue providing you with excellent customer service and ongoing communication about your child's progress in their dance education, an office assistant will be available to address your questions, concerns, and other related matters. The goal is to provide students and teachers with a distraction-free environment, during which it is crucial to give students undivided attention. This implementation will maximize the quality of care and attention each student requires to enhance their personal growth. For this reason, persons who are not enrolled in classes are asked to wait outside the studio.

Please note that questions or concerns can always be reached out to us via the Website or email at www.artacademydance.com. Email: artdanceacademy16@gmail.com

[Parents may also request an appointment through the secretary.](#)

ADA will post events, pictures, deadlines, and announcements on the studio's Facebook Page or Website.

In addition to a distraction-free environment, we ask that all cell phone use for any purpose, such as talking, texting, recording, or other activities, remain off-limits to the parents or other persons not otherwise authorized by the ADA to photograph or record students.

The studio reserves the right to utilize photos and videos of the students taken at performances and events. As a performing arts studio, you must understand that photography and videography are essential to this business. The utilization of such components will be uploaded to various forms of social media. As an enrolled party of the ADA, you are hereby notified that your objection to ADA usage of photos and video may result in the student's ejection from the program.

In the contents of the guidelines below is a description of each policy that I kindly ask you to adhere to during your time at Art Dance Academy.

In advance, thank you for your cooperation!
