— Celebrating 10 Years of Inspiring Dreams Through Dance —

Lisette Agüero Peña

FOUNDER AND DIRECTOR OF ART DANCE ACADEMY

PROFESSIONAL SUMMARY:

Born in Havana, Cuba, Lisette Agüero Peña felt her passion for dance and art in general from a very young age. She began her training in rhythmic gymnastics and ballet, and later graduated from the National School of Arts as an artist of variety and musical shows.

She was a member of the ballet corps of the prestigious Tropicana cabaret, one of the most emblematic shows in Havana. Her talent led her to tour international stages, touring Europe and participating in important theaters and television programs.

After more than 20 years of professional career in Italy, she served as director of the Higher Institute of Cuban Dance, consolidating her profile as an educator and artistic leader.

In 2016, she founded Art Dance Academy, with the aim of creating a space of artistic excellence and integral training for new generations of dancers. She promotes the art of dance as a tool of transformation, discipline, and artistic expression, accessible and enriching for the whole community.

Cinderella

Cinderella is one of the most beloved classical ballets in the international repertoire. The most widely performed version was composed by Sergei Prokofiev and is based on the famous fairy tale by Charles Perrault. It is a magical ballet filled with fantasy, humor, and romance, perfect for audiences of all ages.

ACT I CINDERELLA AT HOME

The story begins in Cinderella's home, where she is mistreated by her stepmother and stepsisters. As she performs her daily chores, she dreams of a better life. The Fairy Godmother appears and, with the help of the fairies, grants Cinderella the chance to attend the royal ball.

ACT II AT THE PALACE

At the palace, the Prince is searching for the young woman he will marry. Cinderella arrives at the ball and captivates everyone. She and the Prince dance together, but when midnight strikes, Cinderella flees, leaving behind her glass slipper.

ACT III THE SEARCH FOR THE GLASS SLIPPER

The Prince travels throughout the kingdom searching for the owner of the glass slipper. After many unsuccessful attempts, the slipper finally fits Cinderella. The ballet concludes with the royal wedding and a joyful celebration.

FINAL MESSAGE

Cinderella teaches us that dreams are pursued with the heart. Through kindness, humility, and courage, Cinderella reminds us that even in the face of hardship, we must never stop believing. Kindness does not make us weak; it makes us strong. When we dream big and act with love, magic happens.

TO OUR DANCE DAUGHTER

2022 feels so long ago, but that was when you first stepped into Art Dance Academy. 4 years later, we've been rewarded with a young lady who's grown so much. From ballet, to hip-hop, tap, tropical, and jazz; you've learned and improved so much that you even joined the Competition Team. We hope you understand that with hard work and dedication you are capable of reaching your goals. Don't let anyone stop you from dreaming big. We love you so much!

ART DANCE ACADEMY

Competition Team 2026

ACKNOWLEDGMENTS

Art Dance Academy would like to express our deepest gratitude to everyone who made this wonderful academic year and our production, *"The Power of Dreaming Big,"* possible.

Thank you to our dancers

for your dedication, discipline, passion, and courage to pursue your dreams. Every rehearsal, every sacrifice, and every moment on stage reminds us that big dreams truly can come true when they are guided by love, perseverance, and kindness.

Thank you to our incredible teachers,

Bryanna Elizondo, Anna Lourdes Auciello, and Sophia Alamillo, for sharing your talent, patience, and dedication with every student. Your work has helped shape not only dancers, but also strong, sensitive, and kind-hearted human beings.

A very special thank you to

Irma Varela

for her constant support, organization, and daily commitment to our school and families.

We also want to thank

all of the technicians, volunteers, backstage staff, collaborators, and every person who worked behind the scenes to make every detail of this production possible. Your effort, dedication, and love for the arts helped bring this beautiful dream to life.

And above all,

thank you to the parents and families of Art Dance Academy for believing in the arts and supporting your children unconditionally. Thank you for every sacrifice, every rehearsal, every applause, and every word of encouragement. You are an essential part of this journey and of every dancer's growth.

✦ *"The Power of Dreaming Big"* ✦

represents the importance of believing in yourself, never giving up on your dreams, and understanding that true greatness is also built through kindness, humility, and a noble heart. Inspired by the story of *Cinderella*, we wanted to share the message that dreams can come true when we walk through life with love, compassion, and generosity toward others. Because dreaming big is not only about achieving goals, but also about becoming a good person along the way.

Thank you for being part of this beautiful artistic family and for helping us continue to dream big.
